The business was co-financed by the European Union and National Resources under the Action of the “Central Macedonia” Programme, NSRF 2021–2027, “Innovation Investment Plans.”

The project with code KMP6-0081778 aims at the development and operation of an electronic platform that will bring together all the core online services of the medical tourism value chain, with the purpose of providing integrated ‘one-stop-shop’ services in the Region of Central Macedonia.

The total budget of the project amounts to €356,350, and it was implemented from October 2021 to February 2025.

**Co-funded by
the European Union**
